Notes

1 Grading scale: Pass (G)

The above is an excerpt from the register of student records.

This is to certify that Igor Lirussi participated in and passed the above courses at Stockholm University during the spring semester of 2020.

The courses combine teaching and exercise of practical skills in Swedish as a foreign language. The students will acquire a basic knowledge of Swedish grammar, vocabulary, phonemes and pronunciation as well as composition of narrative and descriptive texts. After completion of these courses, students will be able to pronounce Swedish phonemes and frequent words and phrases, and will subsequently be able to express themselves orally and in writing in everyday situations. The language level on the course is equivalent to A1/A2 on the CEFR-scale.

Sincerely,
